			VI. With duly notarized certificate from Principal Manufacturer - Clarius Certifies that: i. That the Principal Manufacturer shall honor all the terms and conditions stated in the bidding documents per IRR of RA 9184 and the corresponding contract for the project, including in the event that change of dealership will occur during the duration of the contract up to the warranty and preventive maintenance period; ii. The expected useful life of the equipment under normal use: > Based on the results of the accelerated lifetime testing of the Clarius Ultrasound Scanner it can be concluded that the device functions as intended for the duration of the five (5) years expected lifetime / service life when the device is subjected to the stresses which can occur during normal conditions of use and has been properly maintained in accordance with the manufacturer's instructions. The results of testing are applicable to the "HD" and "HD3" variants of the Clarius Ultrasound Scanner device family iii. Guarantee availability of spare parts, accessories and consumables at least for the next five (5) years from testing, commissioning, acceptance and delivery; iv. That it has competence in handling and providing technical support as well as maintenance of the equipment; v. Consumer guidelines regarding disposal: > Clarius is an active participant in the protection of the natural environment. The equipment and its accessories are designed and manufactured according to environmental protection guidelines and the disposal of this equipment is intended to follow the same principles. The equipment materials that are essential for the functionality are also harmful to the natural environment; therefore, you must dispose these materials appropriately. For proper disposal of the Clarius Scanner HD3 or any of its accessories, dispose it in accordance with local, state and federal regulations. Alternatively, you can return it to Clarius. The improper disposal of the Clarius Scanner HD3 or any of its accessories adds hazardous materials to our landfills. VI.
