**I. Under Section III. Bid Data Sheet**

<i>ITB Clause</i>	
<i>20.2 The Lowest Calculated Bidder shall submit the following documentary requirements within a non-extendible period of five (5) calendar days from receipt of the notification that contain the following</i>	
FROM	TO
6. Duly notarized Certificate as Principal Manufacturer or Exclusive Distributor/ Authorized Dealer from the Principal Manufacturer	6. The Supplier shall have an authorized Certificate of Distributorship/Reseller and shall have the authority to extend the warranty from the original equipment manufacturer or OEM of the equipment.
7. Current and Valid Certificate of Manufacturer's compliance with ISO and/or other Standards/Conformance /Safety Requirements for the equipment	7. Proof of Certificate of Manufacturer's compliance with ISO and/or other Standards/Conformance /Safety Requirements for the equipment or equivalent product standard
8. Duly notarized Certificate from Principal Manufacturer/ Distributor that the brand has been present for at least five (5) years in the local/ international market and model being bid is currently in use in the local/international market with at least one (1) installation in the Philippines, preferably within NCR area (Please specify and submit supporting documents)	8. The Supplier shall deliver any globally recognized brand and has been marketed in the Philippines for the last (10) years.
9. Certificate from the Principal Manufacturer duly notarized from country of origin:  i. All the terms and conditions stated in the bidding documents per IRR of RA 9184 and corresponding contract for the project shall be honored by the Principal Manufacturer, including in the event that a change of dealership will occur during the duration of	Delete

<p>the contract up to the warranty and preventive maintenance period;</p> <p>ii. The expected useful life of the equipment under normal use (indicate normal capacity, i.e. number of patients, operating hours, other considerations);</p> <p>iii. Guarantee on availability of all spare parts, accessories and consumables at least for the next five (5) years from testing, commissioning, acceptance and delivery;</p> <p>iv. That it has competence in handling and providing technical support as well as maintenance of the equipment being offered; and</p> <p>v. Consumer guidelines regarding disposal of the equipment (Information about how and where the used and decommissioned products/ parts can be returned for recycling and/ or disposal (e.g. buy-back program of the product after end of useful life).</p>	
<p>10. Duly notarized Certificate from Bidder:</p> <p>i. That parts, accessories and consumables are readily available at the authorized Philippine service center/s for a period of five (5) years after the warranty period;</p> <p>ii. That it has available competent in-house technical specialists in handling and providing technical support as well as maintenance of the equipment being offered;</p> <p>iii. That it will conduct training for proper operation and maintenance to end-users of the equipment upon delivery; and</p> <p>iv. That it will provide replacement/back-up unit while the delivered unit is being repaired.</p>	<p>9. Duly notarized Certificate from Bidder:</p> <p>i. That parts, accessories and consumables are readily available at the authorized Philippine market and not a cloned unit or custom-built for a period of one (1) year, thus, the equipment to be delivered shall not be an end-of-life (EOL) model at the time of the bidding</p> <p>ii. That it has available competent in-house technical specialists in handling and providing technical support as well as maintenance of the equipment being offered;</p> <p>iii. That it will conduct training/demonstration for proper operation and maintenance to end-users of the equipment upon delivery;</p> <p>iv. That it will provide a service unit not necessarily the same brand/model being offered while the delivered unit is being repaired;</p> <p>v. Consumer guidelines regarding disposal of the equipment (<i>Information about how and where the used and decommissioned products/ parts can be returned for recycling and/ or disposal (e.g. buy-back program of the product after end of useful life).</i></p>

For information and guidance of all concerned.
